Get help with your Medicare premiums and your Medicare Part D prescription drug costs.

- 1) Do you have or are you eligible for Medicare?
- 2) Do you live on a limited income?

If you answered “Yes” to both of these questions you may be eligible for these benefits from the State of Maine and the federal government.

Some important things to remember about the Medicare Savings Program:

- This help is free.
- The money you have in savings accounts and the value of things you own ARE NOT COUNTED in determining if you're eligible for the Medicare Savings Program.
- There is no Estate Recovery for these benefits.

For more information and help applying for the Medicare Savings Program, call your local area agency on aging today.
